**Soy**

**Celery**

**Fish**

**Prawn**

**Sesame**

**Sulphites**

**Allergen free**

**Vegetarian**

## ADDITIONAL GATRONOMY PROGRAMS AND SERVICES

### Mineral Water Tasting

Mineral water contains minerals and other dissolved substances that give it a peculiar taste and oftentimes healing power. It comes up to the surface from

deep, unpolluted layers. The mineral content of natural mineral waters is usually 500-2000 mg/l. The same feature of medical waters can reach even 20000 mg/l. Depending on their types, there are mainly calcium, magnesium, sodium, bicarbonate, chloride and sulphate waters, and their variants. Their fluoride content is relatively high as well. The consumed water interacts with the body tissues in multiple cycles, this is how mineral waters exert their

beneficial effect. Human body needs a range of substances, and it is not sure that we take them with food, but they can be found in the consumed mineral water. During the evening several kinds of Hungarian and foreign mineral water can be tasted and compared with the help of a sommelier.

### Open Cheese Kitchen and Wine Tasting

At one of the site's points we place a cheese counter rich in decoration elements and cheese. We slice the cheese on the cutting board, and beside we offer fruit, seeds, and pastries. The guests can taste the representatives of the seven main cheese families: fresh cheese, white-mold soft cheese, washed-rind (reddish) soft cheese, mountain ripened cheese, goat cheese, blue cheese, raw-milk cheese.

Next to the cheese counter we offer wines of the remarkable wine-regions of Hungary with the help of a qualified sommelier. The wine tasting and the open cheese kitchen complementing each other provide an unforgettably complex gastronomical experience.

## Macaron Tasting

As we are diving into the mystery of making the French macaron, we realize that this is not that simple! It is originated from the town of Nancy, and first was mentioned in the 18th century as a confectionary made according to a secret recipe.

What is sure is that egg whites, almond powder, icing sugar, and crystal sugar are needed to make it. The new macaron created by Pierre Desfontaines is a round confectionary put together of two halves filled with soft chocolate cream. While the classical type is extremely crispy and dry, the new version is also lightly crispy outside

but very soft, and tender inside. But this has been further developed, and we bring it with special flower tastes to the guests. Of course, the taste is coupled with the right color. It is worth for everybody to taste this novelty – it is an unforgettable experience!

chocolate-coconut, walnut, peach, poppy seed, strawberry, raspberry, coconut, vanilla, pistachio, coffee, peanut, pistachio-chocolate, truffel cream

## Champagne Fountain

The champagne fountain is an elegant and fashionable way to make our parties more exciting since it is inimitable both as a spectacle and as a specialty. It can be filled with punch, wine or refreshers. We recommend it equally for luxurious, splendid, relaxed, and family-style events either as an element increasing the quality of the welcome drink or as a separate accessory.

## Contract Terms and Conditions

The prices contains the fee of the service and the equipment required for the catering, but do not includes the VAT. The prices of the offer are valid for one event in case of the menu and number of guests agreed above.

The prices of the offer includes only the basic furniture that is needed for the catering services (buffet counter and drink bar), the furniture suitable for seating the guests are not included.

Overall, the full suply of buffet or finger food menus includes enough food for the number of guests ordered and includes items in a specified proportion based on our professional experience, but some parts may run out.

Our offers also include the unique wines and limited items of small wineries, so the wines in the drink packages may run out during the year. In this case, we offer our customers a similar or better quality alternative to this item. The final wine supply can be confirmed within 72 hours after placing an order with a specific number of guests.

**Ordering the services** based on a prior agreement and offer can only be done in a written form / email/, subject to the following deadlines:

- in case of events between 1 and 100 persons, the 5<sup>th</sup> day before the event
